

PRIVACY BY DESIGN

# WINDOW WORLD

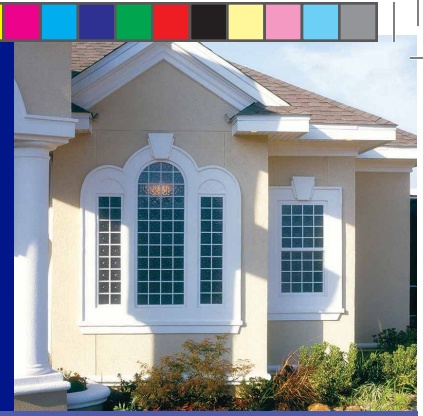

ACRYLIC BLOCK WINDOWS

*Never choose between privacy and natural light again. Acrylic Block Windows eliminate the need for window treatments, obscuring the view inside while affording ample sunlight and style.*

Constructed with architectural-grade acrylic in heavy-duty vinyl frames, Window World®'s Privacy Windows combine quality, craftsmanship, and design flexibility in unprecedented fashion. Proudly made in the U.S.A. and backed by a lifetime warranty, these windows are the ideal solution for limiting the view indoors while maintaining exposure to natural light.

# WINDOW WORLD ACRYLIC BLOCK WINDOWS

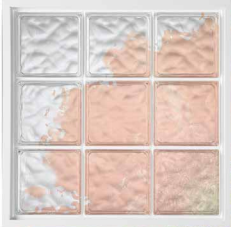

## It's a matter of privacy.

Your home is your private oasis, and your windows are an integral part of creating a beautiful, comfortable space. The age-old compromise between functionality, light, and privacy is now a thing of the past.

## Acrylic Block Window Features:

- Operable window options allow ventilation for abundant fresh air.
- Heavy-duty, all-vinyl frames ensure durability for years to come.
- Double- or triple-paned blocks increase energy efficiency.
- SunBlock™ PLUS tint upgrade option further reduces transmission of solar heat into the home.
- Architectural-grade acrylic guarantees brilliant, colorless luster.
- Custom sizes and shapes accommodate each unique opening.
- Choice of colors to match any style.
- Anti-corrosion hardware on operable styles protects integrity of window.
- Available with dryer vent block option for convenient use in laundry rooms.
- Lifetime warranty\* for peace of mind.
